INSTRUMENT POWERS

- ☐ Advance or rewind any object or plant along its expected timeline. Roll if it is equipped or if your action is likely to cause harm.
- ☐ Make a person experience a startling déjà-vu.
- ☐ Make an unattended object disappear in a puff of smoke.
- ☐ Time is an illusion. Make a person do something much faster or slower than usual, roll if they're unwilling.
- ☐ Draw greed and lust of power from another by shaping it into a greasy, black goblin that attacks immediately and is as powerful as the drives it represents.
- ☐ **Catharsis:** Carefully trace a door on a solid surface with your wand, and open a temporary portal to anywhere you know. Else rush it, and all who pass will emerge with the "skin and clothes torn and ripped" condition. Roll if it is a metaphysical destination.
