CATHARSIS

INSTRUMENT POWERS

- ☐ You are extremely lovable.
- ☐ Roll to make a person's heart skip a beat. They're suddenly very surprised, excited, or nervous.
- ☐ Morality is a scale, and for any given person you know how to stretch it in either direction.
- ☐ Roll to make two creatures' hearts stop: one that you choose, and one that the GM chooses that you can't see right now.
- ☐ Kiss another, and gift them a dream that will open their eyes to their prejudices.
- ☐ **Catharsis:** Kiss thyself or another and gift them a second heart in a physical location of their choosing (within or beyond their body). Unless both stop, the person cannot truly die, recuperating from the loss of one back to full health within a few days (and erasing relevant conditions). At your discretion, it could be a *dark* heart.
